## Postgraduate Masterclass on EU trade and investment

**Wednesday 2 October 2019**

Investment and trade are critical and interwoven issues in the dynamics of international relations. The EU is undergoing a significant change in these areas, with regard to both internal and external relations. At the end of the Masterclass, the participants will be able to critically understand:

- > Who is in charge of trade and investment in the EU;
- > The policy-making processes for trade and investment in the EU;
- > Why the EU wants to set up a Multilateral Investment Court; and
- > The interaction between law and politics in EU trade and investment.
